25<sup>th</sup> May 2010.

To all past students of Sancta Maria College,

The school first opened in Sept. 1960 and is celebrating its Golden Jubilee this year from September to November.

A proposed schedule of events is available on the Sancta Maria College website ([www.sanctamariacollege.com](http://www.sanctamariacollege.com)) and on Facebook.

You will see that included in these events is an Exhibition of Sancta Maria College memorabilia.

In order to ensure that the Exhibition will be interesting and successful, we would love to hear from as many Past Pupils as possible who may be able to help in any of the following ways:

- Writing a short (or not so short) recollection of your days in Sancta Maria, including any special events that you may remember. (Not forgetting to mention your name and the years you attended Sancta Maria)
- Sending some photos of, for example:  
Class Groups, Sports Day, Awards / Presentations, School Tours, Exchange Programmes, Field Trips, Outings, Pet Day, Graduations, Debs. etc.  
(With Names and Dates where possible)
- School Opera/Musical. – Any old Programmes, Photos etc.
- Old Journals/Diaries, Exercise copies, Lab. copies.
- Items of uniform, especially from the Sixties and Seventies.
- Anything else that you may consider of interest.

We assure you that all memorabilia will be safely returned after the Celebrations. However, we plan to use this opportunity to establish a School Archive for the future and therefore would very much appreciate if you would consider donating even some of your items and could indicate accordingly.

If you have any items which are too large to be posted we may be able to arrange collection. All correspondence and items of memorabilia can be forwarded to the following address:

Jubilee Committee  
Sancta Maria College,  
Ballyroan,  
Dublin 16.
